CSG – The Family is the Model for the Kingdom of Heaven

“Everything divides from one into many, which eventually merge into a larger whole. In other words, one divides into many and then unites again into one. From here it divides again and becomes something even larger. Families exist within this larger created object. These families all have the same form as each other. The family is the place where the relationship of husband and wife is established and the place that unites the husband and wife. The tribe is a place that unites families, and the race is a place that unites clans. Races combine to form one nation. Here families play the central role.” (26-189, 1969.10.25)

Second Blessing - Multiply

The Second Blessing is a circular process

- **Matching & Blessing** - the pairing of Yin & Yang is the starting point of uniting masculine and feminine into one.
- **Conjugal love** begins the process that multiplies children who resemble the Father's or Mother's masculine or feminine attributes.
- **Independence** is a necessary stage that occurs as children grow and mature into adults. They develop their individual identities and at maturity seek a partner of the opposite sex.
- **Sovereignty** is established as the pairing of a couple progresses and is completed as they receive the Blessing and begin their conjugal relationship in the realm of the Direct Dominion of God's love.

Origin, Division & Union

- **Origin** – God is the original origin and is expressed in image in the love between a perfected husband and wife. Such a couple is sovereign having the authority of God because they are the Temple of God.
- **Division** - Independence is a necessary stage that occurs as children grow and mature into adults. They develop their individual identities and at maturity seek a partner of the opposite sex.
- **Union** – is established after the Blessing through the conjugal love as a husband and wife. Together they cross from the realm of Indirect Dominion, where they were under the commandment not to eat, to the realm of Direct Dominion where they freely participate together with God in conjugal love.

God Bless You
