## Donations to Support the Warren Family upon the passing of Toby Warren

Franklin and Cecilie Fortune July 16, 2020

Dear Brothers and Sisters,

It is with great sadness that we have to share that our beloved brother, Toby Warren, has passed away. Toby went through a very depressed state of mind lately and was struggling more than anyone could know. In the early hours of Monday 13th July, he decided to put an end to his life. Toby was a wonderful man, a great father and friend. Everyone who has participated in our South London Summer Camp will never forget him. We hold him dearly in our innermost heart. He will be deeply missed in our South London Community and beyond. Our hearts go out to his family at this time. Please support Toby and his family with compassion and love. Thank you.

Franklin and Cecilie Fortune

Donations to Support the Warren Family:

A <u>GoFundMe campaign</u> has been set up to support the Warren family during this incredibly difficult time. The money raised will be used towards caring for two unwell members of the family, medical bills, and to go towards food and household bills while they are unable to work. It will also go towards funeral costs.

Donate Here

Before his passing, Toby was the main carer for his very sick wife and two of his five children, one of whom is still at school. The eldest daughter, who was the only member of the household able to work, now has to leave her job in order to care for them along with her sister. Because of the Covid-19 crisis, the family have also had to pay for specialist medical treatment and tests for their mother who is very ill so donations will help this.

For those that would like to support, sending a donation will make a big difference to the family. Thank you to anyone supporting this campaign. Toby is an amazing person, and he will always be loved by his family and also by his friends.
