1.2 Absolute Sex

From Free Sex To Absolute Sex

Cheon Gi Year 3 HC 7/3 (Solar 8/20/12)

There is term absolute sexual morality and ethics, but this is not the term Father intended to be used. Father first said term 'absolute sex' in English, which was translated into Korean and then back into English. Father never used term including morality and ethics. Absolute sex is the action, the act of love using the sexual organs.

On FD (Foundation Day), that is when God embodies the True Parents' bodies and God marries, while embodying True Parents. This is the perfection level of the perfection stage. After marriage, they make love. Adam and Eve would have done this if they did not fall.

Then when they made love, this would have been God's love and this is what "absolute sex" is. Through absolute sex, God, Adam, and Eve become one. Adam and Eve make love and God comes down vertically and the three become one. This is the substantial trinity. This is why the purpose of creation is that the children of Adam and Eve then are God's children. We are not those kind of children, because God did not have His Wedding. However on FD, when God has His wedding, the three of them will become one and as a result of that, the children would be born as God's children. Because we have received the blessing already, we need to be blessed after God's wedding and True Parents become one with God, then through True Parents the blessing comes then to blessed couples and True Family. Through the benediction (prayer of True Parents) this is the blessing that God will give us. So we all will be reborn as God's children. God and True Parents become one through absolute sex.

God sent Jesus, and then True Father to complete the Purpose of Creation, which is absolute sex, which is meaning of Foundation Day. This is the greatest truth that has been taught by TP. It is the core value of the 8 great textbook-teaching materials, which can be summarized as absolute sex.

To translate this into the terms absolute sexual morality and ethics has nothing to do with True Father's teaching!

Through absolute sex we can live with God eternally. Satan knew about this word and used it applied to free sex so if search term "absolute sex", it comes back all pornography, until Father started talking about it in 1996. From 1992, TF biggest mission was re-creation, the first things he would create are new terminology, like the word "peace", which means when the

ideal world is completed. What God loved the most, Satan took those words and gave them the worst meaning. TF restored the word to be God centered, not how word is used in NKorea, and elsewhere. Only when TP use these words can the meaning be restored. So free sex movement heard about “absolute sex” they were very happy, but once they found out the context, they did not like it.

I. Introduction

A. Origin of “Absolute Sex”

1. YFWP 2nd World Assembly (5/24/96)

(excerpt

“Through this messiah all humankind will be replanted and connected back to God. If this world is supposed to end and a new heavenly world is to begin, we have to turn 180 degrees around. Then we will end up with the KOG on earth. Since Satan spread the concept of free sex and turned the world around, now God comes with the concept of absolute sex. With this concept we will build KOG on earth. Have you heard of the concept of absolute sex? This term, just coined, means only God can talk control. What should happen? We must find God again. We don't know God, or His will. Humankind didn't know that Adam and Eve, without the fall, were in the position to reach perfection. Because Satan represents the fall, human history started with parents of false concepts. Parents started with the worst concepts in mind. The means of changing 180 degrees, is from false parents toward true parents. TP follow true love, true life and true lineage.”)

2. Inauguration for FFWPU (7/30/96~8/2/96)

After the speech TF spoke for 30 minutes and proclaimed absolute sex in front of everyone in English in order to restore the words.

3. The way FFWPU should go (8/1/96)

Why created it, to restore absolute sex in the world. After AE fell, Satan used the sexual organ, to have dominion over the world. God's Purpose was to control, purify, and protect the sexual organs, so TF spoke in English because the translation was terrible and conclusion is God comes into AE and we become God's temple.

4. The family that God directly moves is “Absolute Sex”

The conclusion is that God moves to the blessed family through absolute sex and becomes the Temple of God.

B. From “Free Sex” to “Absolute Sex”

1. “Absolute Sex” is the starting point of ideal family

God comes down vertically at the point of absolute sex

2. “Absolute Sex” is the starting point of Ideal Kingdom

3. “Absolute Sex” is the completion of OriginDivisionUnion Action

4. “Absolute Sex” proclaimed as result of 7 deaths and resurrections

TF had gone to prison 6 times and his whole life course , the purpose was to be able to proclaim this one term, absolute sex. Satan's purpose was to prevent this one term being proclaimed.

II. The Concept of “Absolute Sex” and Attributes of Sexual Organ

- b. Place where SW and PW become one
- c. Place where spirit and physical body become one

- a. Origin of the universe is the twin system(8/1/96)
- b. Sexual organ makes man a man.
- c. Sexual organ makes a woman a woman.
- d. Sexual organ makes man and woman become one.

III. Owner of Sexual Organ and "Absolute Sex"

A. The owners of sexual organs are switched.

Free sex is concept that because it is attached to one's body that it is ok to use it for personal pleasure. This is Satan's concept.

1. Vertical owner of man and woman's sexual organs is God.
2. Horizontal owner of man's sexual organ is woman.
3. Horizontal owner of woman's sexual organ is man.
4. Let's understand clearly the owner of sexual organ.

B. The owner of sexual organ and the principle of use (8/1/96)

How do we come into a position to use the sexual organ?

1. Become one with the vertical owner, so this is when we become one with God, and this is individual perfection, which is Divine right
 2. After meeting and marrying the horizontal owner
 3. With permission from the owner of sexual organ
- Love can not be achieved when only one side of couple wants it, it is only

when both agree, so there should be permission from both individuals

4. Only for the owner of sexual organ

Only should be used by vertical owner and horizontal owner and when you invest and forget, this is true love. And the first time after marriage, you make love, this is true love. This concept is very important.

5. The origin of True Love comes from the concept of the owner of sexual organ.

C. Owner of sexual organ and understanding of the Fall

1. Archangel and Eve, Eve and Adam's Fall

2. Did not become one with the vertical owner

3. Without permission of the owner

4. Not solely for the owner of sexual organ

So the conclusion is they used it centered on the self

D. Owner of sexual organ and the commandment "Do not eat" (10/3/99)

1. Tree of Life is Adam's sexual organ

2. Tree of Knowledge of Good and Evil is Eve's sexual organ

3. Snake is Archangel Lucifer's sexual organ

4. The Fall is thinking that you are the owner of the sexual organ

so it is making love whenever you want, and with whoever you want, this is the fall

5. And using it without the owner's permission

E. Recognition for self and recognition for others(3/3/02)

The origin of the fall was the archangel Lucifer, who is the substantial being of self recognition 1. Recognition for self is selfcentered recognition

Can not understand meaning of Foundation Day unless we know this point.

This means you think in any relationship that you are the center.

2. Recognition for others is recognition centered on others

This means in any relationship that God comes first and that the other comes

first 3. Recognition for others is absolute recognition centered on God

4. Recognition for others is "noself recognition"

F. Things that were lost as result of the Fall (9/21/05)

1. God's blood lineage (realm of lineage)Adam and Eve

2. God's peace (realm of sibling)Cain and Abel

3. God's property (realm of ownership)

4. Hell on earth and Hell in Heaven centered on recognition for self

G. Liberation of human beings start from liberation of sexual organ (8/1/96)

1. The one weapon Satan used is the sexual organ
2. How to liberate sexual organ from Satan
3. How to create absolute, unique, unchanging and eternal sexual organ
4. How to protect the liberated sexual organ

H. Meaning of “Absolute Sex” (8/1/96)

1. To love after blessing marriage ceremony
2. To love only between husband and wife
3. To love attending God at the center
4. To love artistically

Animals have sex only to reproduce, but God made humans able to make without the purpose to reproduce, so they can make love anytime in absolute sex union. In 1980's there was a black Heung Jin who came briefly and then went saying sex was limited to procreation, but in 1996 TF got rid of all that idea. As long as keep 3 principles, the way is free. So they can experience the greatest joy in making love, and this helps protect the sexual organs from misuse. That's why the method is free. They should think about how can I make my spouse happy. They should research and use various ways that are used in the animal world TF talked about how snakes, tigers, and other animals made love and there is a lot of content. So through artistic sex there is no time to think about someone else sexually. Blessed families should live better than everyone else, so these 4 things we can make thunder and lightning, which TF said is the marriage in nature, so we should experience love like that four times a year at least. Example there was a Japanese wife working at a company and there was a mistake 600k, she remembered the lecture, went home made love and when she came back to work, the computer showed no mistake. The best way to make God happy is create thunder and lightning and then you can maintain that feeling constantly.

IV. To Love After Blessing Marriage

A. Sexual purity before blessing marriage

1. Sexual purity before blessing marriage
2. Standard for purity is bachelorhood and maidenhead (10/10/02)
3. Purity is not sexism but equality between men and women
4. Purity is “choice without right to choose”

It is already decided by God, but we have to choose to keep it. Freedom is the right to choose, but sexual purity is something we cannot lose. The moment we make a choice we are saying goodbye to God, so we have to educate blessed children

B. From God's position : Period when God embodies human body

Keeping sexual purity is the core meaning of the growth period

1. God's purpose of creation

- a. God embodies Adam's body become substantial God (first blessing)
- b. Receives and marries Eve and lovepurpose of marriage is to make love
Eve is Adam's wife and at same time, is God's wife, so when AE make love it is God's love as well, so they can
- c. Multiply God's direct children
- d. And complete ideal family and ideal kingdom.
- e. God feels joy directly. which is the purpose of creation
EDP explains it as man's portion of responsibility

2. God embodies Adam's body.

- a. Incorporeal God becomes corporeal God.
- b. Vertical God becomes horizontal God.
- c. God of Night becomes God of Day
TF said he is managed by the God of Night, and rest of human beings are managed by the God of Day, so humanity can be managed through TF, who is in God, so the God of Night becomes the God of Day in order to bequeath God's TL
- d. In order to bequeath God's True Love

C. From human's position : this is Period of becoming God's divine representative

1. What is a representative?

- a. God's image (Genesis1:27)Represents God personally
- b. 2nd God
- c. Divine representative
- d. God's divine representative is the result of control over sexual organ

2. Greatest self discipline is control of sexual organ

- a. Control of sexual organ is through AF, AL, AO
- b. Control of sexual organ is unification of mind and body (2/1/98)
- c. Control of sexual organ is unification of God and human
- d. Control of sexual organ is unification of SW and PW
- e. Control of sexual organ is the first step toward completing the 1st blessing
Through this one gains control over the whole universe. At 21, TF went to

Japan to study. His determination was never to fall, and he kept this.

V. Only Love Between Husband and Wife

First thing TF does is to erase the past, the history since the fall, and second, to recreate one man and one woman in the physical world, and one man and one woman in the spirit world, and to marry them

A. Meaning of blessing marriage

1. Marriage ritual under TP' officiating, so after they go to spirit world, HJN will do it
2. Sacred ritual to meet the owner of sexual organ
3. Ritual receiving permission to use sexual organ for owner
4. Ritual for becoming one, a complete person through love, and resemble God

B. Principle of blessing marriage

1. Polygamy is not allowed
2. Homosexual marriage is strictly not allowed
3. Blessing marriage is destiny, not fate (8/28/98) Fate is the relationship on earth, while destiny means it continues in the spirit world.
4. Difference between secular marriage and blessing marriage they can not live together once they go to the spirit world

C. One man and one woman

1. Relationship of love is permitted only between husband and wife.
2. Use of sexual organ is permitted only for the owner.
3. Sexual relationship with someone other than spouse after the blessing marriage is forbidden.
4. Homosexuality is forbidden.

VI. To Love While Attending God

A. Heartistic standard in love between husband and wife

1. Only for the owner of sexual organ
2. Vertical owner of sexual organ is God
3. Act of love for God and spouse

4. One mind, one body, oneness and OriginDivisionUnion Action (5/3/98)

Through ODU action, the 4 pos. foundation is the natural result. When A_E have children, they raise them directly

When husband and wife make love, God can be happy and this is fulfilling the purpose of the creation, and they will not have to pray to God separately because God will be happy and God will help them, so the act of love is only for God and for the spouse.

B. Purpose of Creation is perfected through "Absolute Sex"

1. The marriage ceremony of perfected Adam is the marriage ceremony of God

This is the reason God created, and that day is the Foundation Day

2. Eve is Adam's wife and at the same time, God's wife

3. Adam's act of love is God's act of love

4. God has to feel first in the love of Adam and Eve

C. "Absolute Sex" is the perfection of OriginDivision Union Action (8/15/03)

1. Origin: Absolute, unique, unchanging, eternal establishment of silent sex, harmony and unification

Within God, he is already one, so he can not feel, so it is "silent sex". Father's example is picking your nose, spitting, your heart beating, when blinking.

You are not conscious of it because you are already one with your body. Within God already exists the man and woman in oneness, so the purpose of creation was for two beings to become one so the he could feel. This is why God created two beings, A_E so they can come together and when they become one through absolute sex, through the give and receive action, they can feel, and in order to feel why God created. The God of Night has no feeling, so AE are to grow to perfection and embody God, then meet God through absolute sex, which is "moving sex"

2. Division: One mind, one body, one idea, one core, establishment of moving sex, harmony and unification

Through concave and convex, there is moving action and harmony and unification is made real.

3. Union: Absolute Faith, Absolute Love, Absolute Obedience, establishment of pure love sex, harmony and unification

AE become one, God comes down vertically and they become one

4. Origin Division Union Action and Trinity through “Absolute Sex”

When Blessed Couples go to SW, do KB to God, say their greetings, then they are naked and make love, and this is how they become one with all the animals and plants and God will come down together with them, three people become one (union)

VII. To Love Artistically

A. Absolute Sex is principle and technique (7/1/96)

TF spoke in Argentina. This is the method for making love keep within the 3 principles

1. Principle: After blessing, only with spouse, attending God
2. Technique: To love artistically
3. Within the 3 principles, technique (method) is free
4. To protect the liberated sexual organ

B. Method is free

1. Love in the human and animal world

a. Human beings are the chief of all things

If their house falls down while they are making love, then God will give them a better house

b. Love permitted in the animal world with multiplication as a premise

c. For human beings, permitted for multiplication and achieving oneness between husband and wife

- 2. Ultimate Unity of True Parents of Heaven, Earth and Humankind is through “Absolute Sex”
- 3. God’s inheritance is through “Absolute Sex”
