

Parents Matching Education Vancouver, Canada - Parents Matching Prep

John Abelseth
August 12, 2023

Greetings parents and leaders:

Western Canada BFD will present a one day Parents Matching Preparation workshop on Saturday August 19 in person and on zoom.

Even if your children are young or not ready to think about the matching process, you as parents need to be prepared before they are ready, so that you know how to begin and how to support them. For that reason I encourage any of you who have children over 12 (younger is ok too!!) to attend this program.

The registration [link is here](#). In order to receive the recordings link please register even if you cannot attend or can only attend part of the day. This workshop will help you understand and prepare for the matching process for:

your children (if you have children who are 12 years or older PLEASE plan to attend so that you can be prepared during their teen years and beyond.

your spiritual children - if you are guiding or supporting SINGLE NEW members this will be valuable for you to participate.

Here are important notes:

there will be no charge for this all day workshop (but gratitude donations to your local church are encouraged);

please bring a potluck lunch (for the in person attendees)

please register ASAP so we can prepare ahead and send notices ([registration link is here](#))

this will be broadcast by zoom and the recording will be available for those who register. (in order to receive the recordings, please register EVEN IF YOU CANNOT JOIN that day)

[Here is the SCHEDULE](#). If you can only attend part of this program it will be valuable, but the best is to plan to be there for the entire day, and bring ALL your questions and concerns. (questions can be asked anonymously using your cell phone)

If you have questions please let me know; also please send this notice to others who may be interested.

See you there!
