[Register HERE](#)

What is this Program?

The HJ Matching Support is a Program for individuals who would like to **receive prayerfully created Matching Suggestions** based on their preferences and vision for their future.

The program will run in cycles and each participant can join as many cycles as they would like.

they would like.

Each cycle runs for 2 weeks. The first week is prayer time where the Matching Committee will be creating the suggestions. The second week is testing time, where each suggested match will spend 7 days talking with each other to decide if they would like to start an Official Matching Process or not.

Why should I join?

- This program will allow you to talk for 7 days with one suggestion at a time. This helps make this process less overwhelming.
- All suggestions are going to be based on your preferences and vision for the future as much as possible. Therefore every person you talk with will be a relevant option for you.
- It will help you develop your communication skills and work on understanding more who you are and what you want.
- The nature of this program is Spiritual and therefore your participation will allow the spirit world to work closer in your life and you will feel more spiritual guidance and support.

How does this program help me find a spouse?

Receiving relevant Matching Suggestions and purposefully engaging in communication on an ongoing basis will increase the chances of you meeting the person you want to commit to and creating a family with.
