Witnessing Break Through Needed

Dear Brothers and Sisters,

Now is the time for a concerted effort for a witnessing breakthrough here in the DMV area. Please join us this Monday at 7:00 PM via Zoom for a brainstorming session with our witnessing and education team.

We have several young lecturers and members of CARP DMV and the two Heavenly Top Gun missionaries who have helped produce a wonderful Saturday Essence of The Principles of Peace Seminar.

**Remember Witnessing Starts With Me
and**

We need you to get involved!

Bring your hopes, dreams, fears and ideas and let's make a Breakthrough plan together.

We invite all candidates preparing for the 2025 Cosmic Blessing to join the HJ Matching Support program, (previously the Blue Dragon Matching). This program offers a supportive and guided process to explore potential

matches.

Running in two-week cycles with a total of seven cycles, the program consists of a Prayer week, where the Matching Committee prays for thoughtful suggestions, followed by a Conversation Week, allowing candidates to engage in 7-day discussions with their matches. Parental and matching supporter involvement is encouraged to provide guidance and support throughout the process.

This initiative aims to help participants step out of their comfort zones, build communication skills, and explore meaningful connections in a spiritual environment, ultimately enhancing their chances of finding a spouse. Those interested in the next cycle must have a profile on Blessing4U and complete their blessing interview before.

Join us for the 4th cycle and register now!
