### Religious Freedom Petition Signature Campaign 6-Day Drive

Dear Brothers and Sisters,

We are now facing another crisis that needs our immediate attention and support! As you know, the announcement was made today by the government of Japan to dissolve the Japanese Unification Church. This is not the end due to our action to appeal but it is a wake up call to increased vigilance by our members in America and throughout the world!

Rev. Dunkley urges all of us to immediately unite in a victorious response to this urgent situation!

Emergency action is needed now! **We are asking every member to sign the petition below and to get at least 10 other signatures a day from now until Monday March 31st.** We need to reach 100,000 signatures by then.

We are currently at 62K signatures.

Here is the petition:

We, the undersigned representatives of many faith communities, affirm that religious freedom is the foundation of all freedoms. We urge you to help Japan uphold this fundamental right and reverse its disturbing shift away from religious liberty.

The U.S. State Department's 2023 Report on International Religious Freedom stated that Japan's request to order the dissolution of the Family Federation, "marked a deviation from the norm, as previously, revocations had only been ordered following violations of criminal law." The churches and religious movements that are being attacked have not violated any criminal law.
