On March 15 (HC 1.27), a dedication ceremony for the new Ouaké Church was held in northern Benin, West Africa.

Located opposite a secondary school, this new center will primarily serve to support and inspire middle and high school students in the values of peace, responsibility, and family life.

This is the culmination of many years of sacrifice, prayer and determination by the church leader couple Nazaire and Suzanne Edouvo.

The ceremony was covered by local media.
