

Blessing Festival Held in Latvia

Makoto Ando - February 2, 2019

A Blessing Festival was held on February 2 in the Riga Peace Embassy.

The officiators were Aram and Roma Karagezian, the national leaders of neighboring Lithuania.

Five married couples received the Holy Wine, as did two single adults and seven children. In addition, two previously married couples (Ambassadors for Peace) who were blessed some years ago also received the Holy Wine this time.
