We had been preparing to receive the Special Grace by completing the 40 days conditions and receiving several education programs of True Father's Life, True Mother's Life, studying together Cheon Seong Gyeong, Pyeong Hwa Gyeong and Champumo Gyeong of God's Ideal, the Fall and Restoration, the significant of the Holy items and Holy Wine Ceremony and the One-Day workshop in Barcelona and in Andorra.

On the 1st of October 2016, four families of 15 persons participated in

the Holy Wine Ceremony and receiving of the Four Great Holy Items of Cheon Il Guk. Watching the video of True Mother's prayer bestowing the Four Holy Items of Cheon Il Guk, we could really feel the heart and great love of our True Mother giving to us. Behind this Special Grace, there were a lot of love and sacrifices from our True Mother. True Mother really embrace us as part of True Parents' family.

We were so grateful and thankful to be able to receive such an incredible Grace from our beloved True Parents.

The time we are living now is so precious because True Mother is still

living with us on earth. We had a new life and a new opportunity given to us on this special occasion of the new beginning of the Cheon Il Guk Era; we made a new determination to become filial children of True Parents and fulfilling our responsibility through Heavenly Tribal Messiah mission to build Cheon Il Guk which Heavenly Parents and True Parents are longing for. We will go together with True Parents.
