We farewelled Aila with a magnificent flower bouquet, certificate, letter of appreciation, and a lovely gift. Anne Bellavance, WFWP Australia President, convened the ceremony.

During her farewell address, Aila expressed her gratitude for everyone's support during her leadership, and for the commitment of our next generation.

We welcomed Satomi Terasaka as WFWP NSW President, and Vice-President of WFWP Australia, with a letter of appointment and a warm welcome.

Satomi shared her goal to build a vibrant NSW team that empowers the younger generation to take the lead in nurturing resilient and joyful families. During her opening presentation, Satomi pledged to guide the NSW Chapter in the following areas: benevolent programs, environmental

regeneration of degraded sites, raising funds for WFWP Australia Global Development and Aid projects in the Pacific Islands, and the Global Women's Peace Network (GWPN).

Cake cutting together concluded the handover, followed by luncheon and of course, cake.
