Engage with visionary leaders, gain insights into innovative approaches, and develop skills to drive positive change. By connecting with like-minded peers, you can become the catalysts for transformative action and social impact.

Share with women leaders who inspire and illuminate that leading with 'heart' and using the soft power skills of reconciliation, peace building, team building, collaboration and forgiveness that naturally comes to women ARE the most powerful leadership skills for the 21st Century.

Would you like to be part of the [Leading into the Future](#) mentor program between emerging and established women leaders? [Follow the link](#) to find out more.

As an organisation in General Consultative status with the Economic and Social Council of the United Nations (ECOSOC), we empower women, and work to provide them worldwide with the knowledge, tools and support needed to create peace within their families, their communities, our nations and our world. Our Vision: Women working together to realise one global family rooted in a culture of sustainable peace. Our Mission: Empowering women as peace builders and leaders in the family to transform the community, nation and world. Through education, advocacy, partnership, reconciliation and humanitarian service, WFWP International aims to create an environment of peace and well being for future generations and people of all races, cultures and religious creeds.
