

## **FFWPU UK: Ania Buckley's Seonghwa ceremony and Memorial service**

Michael Balcomb

April 25, 2025

### **Invitation to our sister Ania Buckley's Seonghwa ceremony and Memorial service Saturday 26th April 11:00 am.**

The first will be the Family Federation Seonghwa ceremony which will be held at Holy Oak Burial Ground in Stanton Fitzwarren. This is in accordance with Ania's wishes, she said she started a new spiritual life at a 2 day workshop at the farm in 1981 and considered it fitting that that is where she is laid to rest amongst friends and colleagues of FFWPU. This is a more intimate internal ceremony for close friends and family and we are limited to around 80 places and will include her burial.

Refreshment is normally along the lines of a picnic or potluck lunch arrangement and clean up at the Holy Oak Hall to be handled by Bham and West of England church members.

### **Tuesday 29th April 12:00 St Nicholas Church Kings Norton**

This will be a remembrance open to everyone who knew Ania. It will be a joyful celebration of a life well lived in Christ. Please do not wear black, people may wear bright attire from their various faith and ethnic background (if in doubt dress as though attending a wedding or a joyful religious holy day) If you come in a suit wear a white tie, not a black one.

There will be a gathering for food and refreshments afterwards, venue to be arranged depending on numbers.

For more information, please contact WWW Region (Wales, West Country and West Midlands).
