

# Celebration "The Day of All True Things"

Naples, Italy, 28. June 2015

By Gukson Capone

On Sunday June 28th Naples community have organized an event to celebrate the "Day of all True Things" which we called "Celebration of Mother Nature". It was held at Sant' Anna Abbey in Saviano (Naples) thanks to the kind permission given by Father Attilio.

MC of the event, Gukson Capone, gave an introduction about Nature which is essential for all human beings. However it has been often mistreated and polluted, treated as we want and not considering its needs.

After that the community leader ,Umberto Capone, gave a speech about nature and its harmonious balance, emphasizing the fact that everything that we have in nature such as air, water, the earth and its fruits are given spontaneously. Also the plant world has its sensibility and emotions. It was proved by an experiment done with some electrodes placed on a plant and its results showed that the plant expressed either joy or fear in relation to human emotions.

To conclude the speech Umberto read the poem written by San Francesco, the Canticle of the Creatures: ***"Praised be You, my Lord with all Your creatures especially our brother, Master Sun who brings the day and the light that warms us he that is beautiful and radiant in all his splendour! He brings meaning of You, O Most High. Praised be You, my Lord for Sister Moon and the Stars; in the heavens You have made them precious and beautiful. Praised be You, my Lord, through Brothers Wind and air, and clouds and***

***storms, and all the weather, through which You give sustenance Your creatures."***

The event continued with a prayer to bless the offering table which symbolized all things and to express gratitude to our Heavenly Parent and True Parents followed afterwards by a buffet.

The second part was held outside and the 2nd gen Band "Est-Ovest" (composed by three singers: Ye-sam Rossi, Sophie Redihough and Fiorella Capone; piano, Pietro Rossi; guitar: Vittorio Della Corte and drums: Giuseppe Capone, technical director: Franco) offered some songs such as Halleluja, Stand by me, Imagine, Hotel California, Don't stop me now and others.. The band, even though has been formed recently and has practiced together only twice, was highly appreciated by the audience and the whole performance was a great success.

After the band there was some time for singing some karaoke and the atmosphere was so joyful that some members and guests started to dance together. At the end of the event a blessed couple introduced the Tango and its history showing two dances, a **hymn to a couple's beauty and harmony.**

In total we had around 30 people participating the event, some member from Milan and our guests.

One of the guest who came for the first time, was really amazed by the band's singing, she felt their purity and innocence, this gave her hope for the future.

Thank you for the participation and the success of the event.
