I would like to take this opportunity to inform you that as of 7/14/2015 Hyung Jin Nim and Yeon Ahn Nim appointed me to be the state Sanctuary Church coordinator for Texas. It is an honor to accept this invitation.

In case you don't know my background, I came to America in January 1973 as one of the first European members to join the Day of Hope Tour and participated in almost all the major events from the MSG Rally in 1974, Yoido Island rally in 1975 in Korea, Yankee Stadium, Washington Monument rally in 1976, RFK Blessing in 1997 and dedicated many years for Clergy Outreach ICC and later ACLC in Florida and Houston Texas.

True Father invested so much in this great nation, which allowed God to continue to bless America for many years. Unfortunately, as we can see in the case of the Mayor of Houston Anise Parker, who subpoenaed Clergy here in Houston for speaking out for moral values and natural marriage, Judeo-Christian values are under assault.

Despite numerous emails and requests to support the Religious Liberty issue by standing with the subpoenaed Clergy here in Houston, the ACLC HQ staff was quiet and so was FFWPU. It was a missed opportunity and only a few weeks ago we heard the shocking news that the Supreme Court voted to force Same Sex Marriage on all 50 states.

This could have been avoided. Our True Father was never afraid to speak out for the truth. If we had mobilized ACLC clergy all over America, God could have worked to keep this "elder son nation" under His protection, but instead ACLC cowered in the darkness.

How can we stand in front of God, our True Parents and the USA Founding Fathers with this kind of result? On the contrary, it was Sanctuary church Hyung Jin Nim and Yeon Ahn Nim and Dr. Richard Panzer who stood up for Religious Freedom and Natural Marriage and initiated the Freedom of Religion petition. They are like a breeze of Fresh Air for our entire movement and give us all new hope.

Texas is a great State where many leaders are unafraid to stand up for Natural Marriage and Moral Values and Religious Liberty.

As an appointed state coordinator of one the largest States in America it is my intention to continue to serve God's Providence at this most critical time. Hyung Jin Nim and Yeon Ahn Nim have been my source of inspiration and are the appointed couple representing True Parents and inheriting their full authority for this time and age. If you haven't viewed the inauguration/transfer of authority ceremony, please do so as soon as possible at <https://www.youtube.com/watch?v=nuu04vx5cnY..>

Once again I want to thank Hyung Jin Nim and Yeon Ah Nim for giving me the opportunity to support God's providence and revive this great nation of America.

Please feel free to email or call me anytime to share what you feel God is telling you or any suggestions or questions you may have. I look forward to doing whatever I can to support brothers and sisters here in Texas spiritually or in other ways.

God Bless,  
Bob Exler
