FFWPU Indonesia: We had a seminar at Junior High School , SMP 111 Jakarta which focused on Pure Love Education based on True Parents teaching and philosophy on May 20, 2016. The Principal Mr. Yurianto and some English teachers, such as Mrs. Sabariyah organized the event by gathering 100 best students to listen to lectures in English.

Mr. Alfred Forno, president of FFWPU Indonesia, gave the opening remarks and Mr. David McLackland, Education director of UPF Indonesia gave the main lecture, while students attentively listened to the content of lecture.

There was Q&A time where students were trying to confirm what they have understood of the lecture. They showed how they are inspired, especially when they were reciting pure love pledge enthusiastically.
