Jesus gave us the great clue as to what his mission on earth would be through the most eloquent verse in the Bible knowing; "I am the way, the truth and the life, no one goes to the father of heaven except me" so it's crucial that we see him as a mediator for Understanding the essence of your coming and purpose.

He came in the position of a son to become a father. The fulfillment of the will of the Father is accomplished on earth first and only then is it completed in heaven. "your will come to us on earth as it is in heaven" our father.

God himself wants to dwell among men in his fullness of image and likeness and it would only be possible through the weddings of the Lamb and here is the reason behind the great cry of Jesus himself before his crucifixion; "Father forgive them for they know not what they do" ". This is one of the most painful heavenly secrets in Christian history. Therefore the mission of the messiah is to redeem the image and likeness of our creator while on earth, not as a man alone, but as a man and woman this is a couple through their weddings and that is why there is a need for his second coming.

It will open like this through them and us then the fulfillment of the promises that their perfect will come through us. Hebrews 11:40 This is in fact the greatest providential change both on earth and in heaven, this goes and comes from the spirits that gave birth to the theory of reincarnation will also have an end with the principle of the Resurrection of the messiah fulfilling his unfinished mission and then ours ancestors through us "be perfect as your heavenly Father is perfect".
