

July is the month when God's great victory was accomplished

July 5, 2011

Brothers and sisters around America:

July 5, 2011(heavenly calendar; 8/4 solar)

Glory to God!

The month of July (June of the heavenly calendar) was the month when God's great victory was accomplished. True Parents brought victories on the rally in Nigeria (July 15-18) on the foundation of the Speaking Tour in Europe and the rally in Las Vegas. Through this rally, True Parents laid the cornerstone in the providential history. After coming back to Las Vegas, they led the Original Devine Principle workshop for Bun Bong Wangs and the National Messiahs, and then visited Alaska. Kodiak, Alaska is the place of important proclamations in the providential history.

On July 29, True Parents made a benediction "Proclamation of Substantial Victory on the Settlement at Noon".

1. Now is the time of God of Night and Day.

Let's think what kind of age it is now in 2011.

(1) The Meaning of the "Cosmic Assemblies for the Settlement of the True Parents of Heaven, Earth and Humankind and for the Proclamation of the Word by God's Substantial Self" (From the lecture of Professor Taek Yong Oh on 7/30/11)

--- The "Cosmic Assemblies for the Settlement of the True Parents of Heaven, Earth and Humankind and for the Proclamation of the Word by God's Substantial Self," which have been held since 2010 until the first half of 2011, are for the final arrangement of human history and God's providence. Father's words of this assembly become the constitution of Cheon Il Guk. Therefore, when you understand the words, you can understand both God's providence and True Parents' life course. When you understand the core of the words, you can know the simple formula. This address tells us the whole formula of True Parents' course.

Then, if we try to express the core of this address in a word, what can we say? It is the "God of Night and Day." When does God's providence complete? It is the time when God of Night is united with God of Day. After Adam and Eve fell, Jesus came to the earth, but he could not marry and have a family. It means that Jesus could not become substantial God. However, True Parents now united God of Night and God of Day. Therefore, after that, it is the age of God's direct dominion. Now is the age of the direct dominion by God of Night and Day. Therefore, now is the age when the spirit world and the physical world are harmonized and united (10/9/2009), and if God makes up His mind, there is nothing impossible in this age. ---

--- The "Cosmic Assembly for the Settlement of the True Parents of Heaven, Earth and Humankind and for the Proclamation of the Word by God's Substantial Self" has a following meaning. It is the fulfillment of the words of the Peace Message: "God waited and waited, looking for anyone who would take on the role of the True Parent. If someone had come forward, I am certain that God would have appeared in his dreams, carried the sun and moon to him, and showered him with lightning of joy and thunder of ecstasy from the heavens."

Also, there is a meaning to chase Satan away from the cosmos. True Parents proclaimed, "The world is now revolving centering on True Parents." We are living in such a good age. --- (cf. Reference: God of Night, God of Day, and the True Parents of Heaven, Earth and Humankind)

Next, let's think of the mission of ours who live in such a surprising age.

2. Our Responsibility

1) The Internal Mission

(1) To attend the Original Divine Principle workshop

The Original Divine Principle workshop, which is held in Las Vegas every month, has the meaning to uplift blessed families to the level of the Garden of Eden of Original Creation. The content of the education is what God directly wanted to educate Adam and Eve. We can participate in the workshop through the invitation of True Parents and learn from the lecturers who stand in the representative position of True Parents. Rev. Yoo, the lecturer, says, "In this workshop, please know God clearly. Please know True Parents clearly. Please know the spirit world clearly. Then, please clearly know how we can complete ourselves. Please attend this workshop with a completely new heart, the heart of 1-week fasting. True Parents wish that through this workshop, we make a heartistic bond with True Parents and that we become completely reborn blessed families." In the end of the workshop, the certificate with True Parents' signature will be given. This workshop has such a special meaning.

(2) To fulfill the Ancestor Liberation and Blessing up to the 210th generation.

On July 29, the International HQ issued an official letter about this. Father said that from now on, the spirit world attacked the earthly world. In order to survive in such an age, it is necessary for us to liberate and bless our ancestors. Therefore, Dae Mo Nim said, "True Parents said we had to liberate all the ancestors up to the 210th generation; ancestors of 4 family lineages of the direct line (father's father's line), mother's line (mother's father's line), father's mother's line and mother's mother's line, by December 31, 2012. The True Parents of Heaven, Earth and Humankind are leading the providence of restoration in both the spirit and earthly worlds at the same time, so they ask us to do witnessing in the earthly world and do ancestor liberation and blessing in the spirit world. We have to know this. We have to know such a 'bone-melting' heart of True Parents. Do you understand?" (From the 6/11/2011 issue of the monthly newspaper *Honkyo-Jin* (People of Original Homeland) in Korea)

(3) A Thoroughgoing Hoon Dok Hwe

True Parents have already given us the 8 Textbook and Teaching Materials. Therefore, it is our very important responsibility to practice reading the textbooks in our daily life.

Then, on the foundation of the internal mission, what should we do concretely? It is to bring a victory on the Tribal Messiah and Tong Ban Kyeok Pa. The victory on the Tribal Messiah and Tong Ban Kyeok Pa are connected with the substantial foundation of Cheon Il Guk.

2) The Concrete Mission

(1) A Victory on the Tribal Messiah (Abel's realm) and Tong Ban Kyeok Pa (Cain's realm)

True Parents have already permitted the grace of the authority of Seunghwa for rebirth and resurrection to be bestowed on blessed families. (11/22/2010) True Father says in his speech, "Every blessed family can bless the descendants in front of the nation and the world as Rev. Moon did."

Now, let's think of Tong Ban Kyeok Pa. Tong Ban Kyeok Pa is a movement to make True Parents' sons and daughters (11/30/1990), a movement to sow a seed of life (11/30/1990), a movement to find God's family (11/30/1990), a movement to digest or liberate Tong Ban (6/26/1990). It means the liberation of hometown, the liberation of ancestors, and the liberation of God. 'Tong Ban' means the realm of Cain who does not receive the blessing yet, while 'Kyeok Pa' means to pull Satan's blood out. We need to give the holy wine, which is the contract among God, Satan and True Father (9/23/1998), and to fulfill the blessing of 3, 33, 72, 124 and 434 couples (666 couples). (from Prof. Oh's lecture on the providential history)

(2) Distribution of True Father's autobiography

True Father's autobiography *As a Peace-Loving Global Citizen* is a book of True Father's confession, diary and record of victorious bloody battles with Satan for the salvation of human beings. Also, it is a model and standard for human beings to make a true family with true love.

In Las Vegas, 120,000 copies of the autobiography were distributed by July 14. Now, we around America have to find a new guest through the distribution of the autobiography, and guide them to the blessing.

3. In Jin Nim's Sermon

"Inherit True Love and Heart of God"

In Jin Nim said as follows at the sermon in Las Vegas on May 22, which was the next day of TP's speech in Las Vegas which is the conclusion of TP's Speaking Tour in Europe.

--- Think about yesterday as being a culmination of this grand Founder's European tour of 2011, which started in the beautiful city of Seoul, Korea. Our Heavenly Parent wants us to inherit the true love of God and the true heart to understand the soul of God. How interesting that the capital city in Korea is called Seoul. So the tour started from God's soul; God took us along with our True Parents through the different countries of Europe; and the tour ended in beautiful Las Vegas, which is known as the modern-day Sodom and Gomorrah. Las Vegas is a place where huge advertisements play on the theme of "Whatever happens in Las Vegas stays in Las Vegas. You can do whatever you want and we will keep your secrets."

But our True Parents come to liberate this city from itself, from the way people perceive it—as the city of sin. The whole image or past understanding of Las Vegas will be cast aside as our True Parents continue to proclaim who they are, just as they did yesterday to all of us. Thus we can start a brand-new era when we know that by standing together with our True Parents we can live every day as their sons and daughters. What is more beautiful than to do it in a city, Las Vegas, named after the brightest star in the constellation of Lyra: Vega.

What our Heavenly Parent is trying to tell us through this beautiful European tour is "Inherit the heart of God. Inherit, understand, live, and substantiate not only true love and true life, but also the true lineage of God." And, "Understanding and embracing the heart and soul of God, take it and share it with all my children around the world—all our brothers and sisters—because we are one family. Take that message to the brightest star that waits for us in the parched desert land of Nevada, and through our True Parents, share and partake of the living water of life and truth that they want, with our help, to share with all of America."

The end of the world that we got to spend together with our True Parents can signal the beginning of something truly wonderful and monumental, if we understand the importance and profundity of the time we're living in and we commit ourselves to walking this path united in heart and soul with our True Parents. ---

Also, In Jin Nim's sermon on August 1 clearly showed that God and True Parents want us, who were responsible for the American providence, to lead the 'blessing movement.' It was the word for the start.

Now, let's become the person who inherits True Parents' love and heart. Then, in this month of July of the heavenly calendar, let's fulfill the mission and responsibility given to us, and return great joy and results to God and True Parents through In Jin Nim!

We will start the Kodan condition of sincere devotion in July of the heavenly calendar as follows. I hope that many brothers and sisters would participate in this.

1. God of Night is the parent as the Creator of all things in the universe. God of Night created all things in the universe with creativity. God of Night is a parent of the angelic world. God of Night is a parent of the animal world. God of Night is a parent of the plant world. God of Night is a parent of the mineral world. God of Night is a parent of the human world.

2. When Adam and Eve are completed, they become God of Day. God of Night wished that after the completion of Adam and Eve, He became God of Day in Adam and Eve. God of Night wished that after the completion of Adam and Eve, He became corporeal God by using the bodies of Adam and Eve. God of Night hoped to become physical God by using the bodies of Adam and Eve. God of Night hoped to become horizontal God who could reproduce Himself by using the bodies of Adam and Eve. The hope of God of Night is fulfilled when Adam and Eve are completed and become God of Day.

3. The final purpose of divine words is the completion of the True Parents. God, who is the spiritual True Parent, has a purpose to complete the physical True Parents. When Adam and Eve are completed as the physical True Parents, God, who is the spiritual True Parent, becomes the True Parents of Heaven, Earth and Humankind. The True Parents of Heaven, Earth and Humankind include the spiritual True Parent and the physical True Parents. The True Parents of Heaven, Earth and Humankind include God of Night and God of Day. The True Parents of Heaven, Earth and Humankind include the spiritual king of kings and the physical king of kings. The True Parents of Heaven, Earth and Humankind include 4 representative kings: God of Night, God of Day, the King of Kings, and the True Parents. God's purpose of Creation is not just to exist as the Cosmic Parent but to become the True Parents of Heaven, Earth and Humankind.

4. When God of Night and God of Day achieve ultimate unity and become God of Night and Day, God of Night exists in God of Day, and God of Day exists in God of Night. After the emergence of God of Night and Day, it is unnecessary to distinguish God of Night and God of Day. It is impossible to distinguish God of Night and God of Day. God of Night and God of Day should not be distinguished. After the emergence of God of Night and Day, it is unnecessary to separate God of Night from God of Day. It is impossible to separate God of Night from God of Day. God of Night and God of Day should not be separated.

5. In God of Night and Day, the age of God's direct dominion starts. God of Night and Day is omnipresent. As God of Night was omnipresent, God of Day is omnipresent. God of Night and Day is omniscient and omnipotent. As God of Night was omniscient and omnipotent, God of Day is omniscient and omnipotent. God of Night and Day exercises the authority of full transcendence, full immanence, full authority and omnipotence. As God of Night exercises the authority of full transcendence, full immanence, full authority and omnipotence, God of Day exercises the authority of full transcendence, full immanence, full authority and omnipotence. Full transcendence, full immanence, full authority and omnipotence of God of Night are exercised through God of Day
