

Belvedere Family Community: Passing of Takaaki Isaksen

Justin Okamoto
October 29, 2024

Dear Brothers and Sisters

We announce with a heavy heart that our dear brother Takaaki Isaksen son of Rumiko Isaksen has passed on to the next life. We are not sure about how the Seonghwa will work at this point as Rumiko san is still in Norway and trying to figure it out. We ask that our family members pray for Takaaki's transition into the next life and to be there for Rumiko san in this difficult time.

If you would like to offer financial support you can still through the GoFundMe.

I'm sure there will be additional expenses that will be coming for the seonghwa and burial.

Thank you

Hi folks, my name is Raoul Joseph. I am with the Belvedere Family Community of the Family Federation for World Peace and Unification. That's right, we are a family community that supports each other. When one of our brothers or sisters is going through difficulties, we are always there to support them in whatever way we can.

We live in a world where people tend to turn their backs when the support is most needed. However, it is a very wonderful thing to be there when people need us the most. **One of our young members is experiencing some very difficult health issues at the moment.** Even though he is going through a very difficult time in Norway, battling cancer issues, **Takaaki Isaksen, the dear son of our sister Rumiko Isaksen,** is still standing strong and being very brave through the pain and all the various treatments he has to undergo. One can only imagine how this journey can take an emotional toll as well as a financial strain on the family.

Rumiko-san has taken leave from her teaching at school to be with her son in Oslo. I'm **asking for your support to alleviate some of the financial burden which can in turn help with some of the emotional stress.** These funds will most definitely be welcomed as they will go a long way in helping with travel expenses and some other financial matters relating to his medical care. Please give generously from your loving heart. Your support is deeply appreciated.

Dear Friends,

We announce, with a heavy heart, the ascension of our dear brother Takaaki Isaksen, son of Rumiko Isaksen. His transition was at 2:10 p.m. today.

We ask for your prayers for Takaaki's transition into the next life and that you would be there for Rumiko san in this difficult time. If you would like to offer financial support you can still do so through this Gofundme. Rumiko san is deeply moved by your generosity, not just financially, but also your thoughts and prayers for her dear son, which are so much appreciated during this time. May our Heavenly parent continue to bless you all and keep you in perfect peace. Thank you for your support and your generosity.
