**Urgent Business:**

The Council Chair explained that the Emergency Meeting was called, as more information and clarification was needed before a final vote could be made.

**A. *The Learning Studio Lease and possible use of rooms***

*Pastor Manoj read the amendment to the Lease with The Learning Studio, LLC. There was a discussion about whether to renew the lease with the Learning Studio, LLC. The net monthly income from the nursery is less than \$2,000. The rooms could be better utilized for witnessing and other church activities/events. The question was put to vote. The decision was unanimous to give a one-year's notice to The Learning Studio, LLC and not renew the lease. (Mrs. Feddema and Mrs. T. Oppeneheimer voted by proxy.)*

The Meeting was closed in prayer by Mr. Tamelessio at 8:50PM
