Agenda:

Urgent Business:

A. Parsonage Decision

- Options for handling the parsonage were discussed. It was mentioned that Kay Allen would help write a notice to vacate letter; but until a notice letter is sent, a lawyer is not required. Arbitration was discussed as an alternative to eviction. The Council discussed the implications of legal action and all would wish to avoid taking such drastic action. Council has unanimously voted for a three step plan of action that will be proposed to Dr. Ann. First attempt to meet and mediate the situation outside of legal action with the conclusion of having the parsonage vacated. If the first is declined, the Council will have arbitration with the county mediating to reach a result of the parsonage being vacated. If the second option is declined, the Council will resort to an eviction lawsuit. The Council wishes to do the right thing upholding the rights of the congregation.

The Meeting was closed in prayer by Mrs. Oppenheimer at 10:30
