### Greetings from Pastor

Dear Brothers and Sisters,

How are you? I hope you had a chance to watch the SUNHAK Peace Prize Award Ceremony Yesterday. It was a wonderful program where we could feel proud of our True Parents and our movement. I felt God chose the Laureates Dr. Gino Strada and Dr. Sakena Yacoobi, who are trying to resolve some of the greatest problems we are facing in the modern world. I also felt the SUNHAK Peace Prize committee truly works on behalf of the compassionate heart of God. Let's take this opportunity to congratulate the Laureates for their work and pray that their work will reach more and more needy people. Let's also be grateful to True Parents for start this prestigious award to encourage and support genuine peace activists.

Today, I am leaving to Korea to attend the Cheon Il Guk Leaders Assembly and Foundation Day Anniversary. I believe as the members of the elder son nation, True Parents are counting on each and every one of us to fulfill the 2020 vision and achieve national restoration. Let's fulfill the dream of God to bring lasting peace to humanity.

May God bless you and your families.

Sincerely  
Pastor Manoj Jacob

### Dear Family,

Greetings from Las Vegas! This is the last weekend of 2016 by the lunar/heavenly calendar, and we are here at IPEC for the Ocean Summit and a special international reunion of the 43 Japanese Missionary sisters. These extraordinary women worked with True Parents in Kodiak for six long years from 1983 to 1989, building the foundations of our fishing industries and more importantly, setting great conditions of love and faith that helped protect True Parents and America. This the first time for most of this group to meet together in almost 30 years, and tears of joy, sorrow, sadness and gratitude are flowing freely. It is really humbling to hear the testimonies of these remarkable women -- and their families -- who loved True Parents so much that they were willing to work in the most difficult of places, transforming what could have been hell into heaven on earth ([Read More Here](#))
