

Clifton, NJ Family Church E-News - True Parents Special Gathering in Korea

Manoj Jacob
May 19, 2017

Greetings from Pastor

Dear Brothers and Sisters,

Greetings from Cheonpyeong. I am in Korea attending a special kickoff ceremony titled "True Parents Special Gathering to celebrate the victorious and hopeful march forward of Korea, Japan and the United States". True Mother invited leaders of Korea, Japan and USA to make commitments to work together to achieve vision 2020.

True Mother's recent rallies in Korea and Japan were very successful and they are continually doing regional level rallies to achieve vision 2020. True Mother reminded us that this time is very precious and we have to bring victory. Now we have only three and a half year for the completion of vision 2020. God is waiting for the last 6000 years and Christianity is waiting for the last 2000 years for the successful establishment of True Parents. If we work together and proclaim the coming of True Parents, we can bring victory. True Mother is asking us to "lead the way" so that the whole world can follow us.

Before coming to Korea I was really troubled about the geo political situation, especially about North Korea. By listening to True Mother's talk and other reports of activities to resolve the situation, I overcame my struggles and I am confident that we will be able to bring a solution to the current situation under True Mother's leadership. Please be confident and keep faith in God and True Parents. We are God's winning team.

Thank you so much for your prayer. May God bless you and your families.

Sincerely
Pastor Manoj Jacob
