

Clifton, NJ Family Church E-News - Holy Day Celebration

Manoj Jacob
May 26, 2017

Greetings from Pastor

Dear Brothers and Sisters,

How are you? Hope you are doing well. I just came back from Korea yesterday. It was an incredible opportunity for all of us to be with True Mother on several occasions and experience God's love. Every time True Mother emphasized the need for the world to understand the Position of True Parents as the only begotten son and daughter of God. At the time of Jesus, people including close relatives and disciples couldn't understand Jesus. That led to the crucifixion of Jesus. True Mother reminded us that we need to deeply understand True Parents, their role, and their mission. We need to become an impactful mainstream religion for True Parents to save the world.

I also want to remind about a couple of important things happening this weekend. Today evening 7 p.m. we will have a Tribal Messiah Dinner meeting. There will be a lot of time to share your tribal messiah experiences and also to listen to other members experiences. This program is open to everyone, and there is no fee. If you would like to attend, please contact Mr. Atsushi Takino. Also this Sunday we will not have a Sunday Service here in Clifton Church. We will join family fest at Belvedere at 10:30 a.m. I encourage everyone to be there latest by 10 a.m. We will not be collecting the tithe this Sunday, but everyone is invited to make a Sunday offering. See below the details about other programs happening over the weekend.

Thank you so much for your prayer. May God bless you and your families.

Sincerely
Pastor Manoj Jacob
