

## Clifton, NJ Family Church E-News - True Parents at the Garden

### Greetings from Pastor

Dear Brothers and Sisters,

How are you? Hope you are doing well. From now we have exactly one month for Madison Square Garden Program. Last night I had a chance to listen to Dr. Kim, who is in Korea with True Mother now. True Mother is talking every day about the Madison Square Garden Program. In True Parents view, Madison Square Garden Rally is a cosmic event where heaven and earth become one. True Mother is coming to America and Speaking at the MSG on the foundation of her victorious rallies in Seoul, Tokyo, and Bangkok.

One thing we can be truly proud of this rally is that based upon True Mother's guidance we are organizing this program funded by the American family, each one of us. True Parents are proud of us by seeing the Elder Son Nation taking responsibility. Also, many ACLC pastors taking financial responsibility and actively mobilizing. I am sure God and True Parents are pleased to see what's happening here now. Let's make our True Parents victorious in this world so that we will have lasting peace on earth.

Thank you so much for your prayer. May God bless you and your families.

Sincerely  
Pastor Manoj Jacob
