

Clifton, NJ Family Church E-News: Sunday Service Sermon by Kevin Thompson

Manoj Jacob

October 27, 2017

Greetings from Pastor

Dear Brothers and Sisters,

How are you doing? I believe you all are doing well. The preparations for the '2017 Global Rally for Peace and Unity in the Korean Peninsula' going very well. Our True Parents devoted their entire life for the unification of Korean Peninsula. True Mother is determined to bring the unification as soon as possible and working tirelessly to achieve that. This rally will open a new chapter in North and South Korean Unification. I am encouraging all of you to be part of this historic event in any of the following ways. Pray for the success of the program, attend the rally in person, give a monetary donation for ministers who need some financial support or join the outreach team to mobilize ministers and our members to go to Korea. Let's do our best to support God and True Parents in achieving their lifelong dream. [Find more information here.](#)

This weekend we are hosting a "Pastor's Boot Camp" in our church with several of our pastors from around the country. They will join us on Sunday morning for the graduation ceremony. Also, Rev. Kevin Thompson from Bay Area Family Church will be speaking this week. I want to encourage all of you to join the worship service together with all of them.

May God Bless you and your families.

Sincerely

Pastor Manoj Jacob
