

Clifton, NJ Family Church E-News: Let's thank God and our True Parents

Jacob Manoj

December 29, 2017

Greetings from Pastor

Dear Brothers and Sisters,

How are you? Hope you are keeping warm in this cold weather. We are coming to the year 2017. It was a victorious year. With the blessing of God and True Parents, we have made significant advancements in God's Providence this year. True Mother led us with confidence and instilled confidence into each one of us. I believe, as a community, the most significant achievement is our unity with True Parents. Only because of our unity with True Mother we could bring great victories. As we are entering the year 2018, let's thank everyone who was part of our life in 2017. More than anyone let's thank God our Heavenly Parent and our beloved True Parents. All through the year 2017, we had the blessings of God and True Parents with us.

With all of our brothers and sisters worked together centered on True Mother, we could achieve amazing things in God's providence. I want to thank everyone who worked hard and sacrificed a lot for our community and the Providence. Some of our brothers and sisters passed on to the spiritual world this year. I want to remember them and thank them for their hard work and sacrifices for God's providence. Please keep them in your prayers.

Let's us look forward to the year 2018 with confidence, compassion, and love. Let's us unite
