

## Clifton, NJ Family Church E-News: Welcoming Ki Hoon Kim this Sunday

Manoj Jacob  
February 2, 2018

### Greetings from Pastor

Dear Brothers and Sisters,

I am sure with the grace of God everyone doing well. I hope you had a chance to watch the victory celebration in Korea. As you may have seen, the reports and testimonies were very moving. The African summit was not just an individual event; it was a combination of several events aiming towards the establishment of lasting peace and sustainable development. Our True Mother's absolute unity with God made that happen.

Only a few weeks left for True Parents Birthday and the fifth anniversary of Foundation day. If you would like to go for the pilgrimage to Korea, please register as soon as possible. Also, if you haven't made the offering for True Parents Birthday and Foundation Day, I encourage you to do that today. The suggested offering is \$210 for families and \$130 for individuals. Let's make a birthday offering from our joyful heart for our victorious True Parents. The year 2018 is going to be a significant year in God's providence, let's allow God to lead us towards greater victories.

Sincerely  
Pastor Manoj Jacob
