### Dear Families, Brothers and Sisters,

Tomorrow, we'll be welcoming Yeon Ah Nim and the Hyo Jin Nim Band for the HJ Concert at the Manhattan center, then on Sunday, we'll hold our annual HJ FamilyFest at Belvedere.

We are excited to connect as a community with family members, friends and guests. It will be such a wonderful experience to have a concert, an outdoor service, and festival.

Here is some important information for the concert and the family festival.

#### **HJ Concert:**

Saturday, May 26

Hammerstein Ballroom, Manhattan Center

Doors open at 3 p.m.

The concert begins at 4 p.m.

All are welcome, whether you have a ticket or not. There will be an entrance where you can make a donation, get your ticket and enter.

Entrance to the Manhattan Center is through metal detectors (house rules), so please pack light and avoid large bags which will slow the line. There will be drinks and light snacks for purchase.

This will be an exciting cultural event that includes varied performances, from classical music, beatbox and rap, dance, and rock and roll. So feel free to bring your friends.

Though there is no age limit, if you have infants or very young children, we recommend staying with them in the back room from the first balcony or somehow protect their ears, as the music will be quite loud.
