## GREETINGS FROM PASTOR

### DEAR BROTHERS AND SISTERS,

True Mother gave an eloquent speech, giving hope and encouragement to everyone. Both elites and common people embraced her vision to heal everyone and create a better world. True Mother is working so hard to bring the blessings of God to everyone in the world. True Mother is planning to travel to several more countries this year to spread the message of truth. Please invite your contacts to attend this important program and to receive the blessings of God and True Parents. There will also be a marriage rededication ceremony for blessed couples.

I want to encourage all Unificationists to attend this program to rededicate our marriages and support of our True Parents to bless our brothers and sisters of other faiths. Rany and I will be rededicating our marriage during this blessing and I believe you will be there with us.

I would also like to inform you that the Wake for
