GREETINGS FROM PASTOR

DEAR BROTHERS AND SISTERS,

How are you? I am sure, with the grace of God, you are doing well. True Mother's "Peace Starts with Me" event on November 12 is creating a buzz all over the movement and even throughout American Christianity. I have heard that, as of yesterday, there are 39 Choirs signed up to join the 5000 choir. Ticket reservations are going very well. From District-3 almost 400 tickets were booked in the first week. I want to encourage all of you to reserve your tickets by this Sunday at the very latest. It's important to purchase the tickets as soon as possible. Only then can we arrange the bus transportation for everyone.

We want to support our True Mother as she is investing herself completely for God's Providence. So, let's put forth our best effort to bring back this country to its original God-given position. The victory at Madison Square Garden was a foundation for several world-level providential accomplishments that followed. The victory of "Peace Starts with Me" at the Nassau Coliseum, will surely spark even greater victories for God, True Parents and humanity. Let's share ownership of that victory.

Thank you so much for your hard work and support. May God bless you all.

SINCERELY,
PASTOR MANOJ JACOB
