GREETINGS FROM PASTOR

DEAR BROTHERS AND SISTERS,

How are you? I am sure with the blessings of God and True Parents, you all are doing well. We are so lucky to live at this time with True Parents and working together with True Mother. True Mother is traveling all around the world to spread God's message of Truth and restore the world back to God. True Mother can't do it by herself. True Mother needs all of us to be with her, especially as members of the elder son nation.

Yesterday, I happened to read a beautiful passage from True Mother's Anthology. "You can't achieve God's Will by fighting. It is not a matter of restoring a nation through physical struggle. It involves bringing the nation to voluntary submission. Therefore, it is all about becoming the rightful man, the rightful husband, the rightful wife, the rightful sons and daughters, and the rightful parents, in order to expand the rightful traditions throughout one's family and one's country, and thus create a model that leads to the ideal world." That's an amazing guidance for us to understand the way to restore the country and the world. Many times we forget to live a principled life because we are busy fighting the enemies to defeat them instead of bringing them to voluntary submission.

Today, April 24th, 4PM NJIT CARP is organizing an event titled "Change start with Me." I encourage everyone to support CARP with your presence and pray for a successful program.

May God bless you and your family.

Sincerely,
Pastor Manoj
