GREETINGS FROM PASTOR

DEAR BROTHERS AND SISTERS,

How are you? I believe you all are doing well. First of all, I want to thank everyone for supporting the Unity Festival in Las Vegas. It was a great victory. Several Christian leaders testified to True Parents in front of thousands of attendees, many of whom were from their own congregations. Nothing could have happened without all of your prayers, donations, and participation. Some of our members who were traveling had to spend several hours at the airport because of thunderstorms and flight cancellations; some couldn't make it because of flight cancellations. Still, God and True Parents appreciate all the sacrifices you have made for this great victory! True Mother gave a profound message at the rally, which I believe you have already heard. At the victory celebration, she applauded everyone and especially thanked Dr. Ki Hoon Kim for leading the American providence. At the same time, True Mother stated very clearly that to restore America we have to gain sovereignty, people, and territory.

I want to thank all of you for giving me a chance to represent you there in Las Vegas for the Unity Festival. It was an excellent experience for me. I felt, and still feel, encouraged and empowered by the presence and words of True Mother. Let us do our best throughout this summer so that we can bring substantial victory for God, True Parents and humanity and offer that to True Mother when she returns.

May God bless you and your family.

Sincerely,
Pastor Manoj
