Cheon Shim Won Night Vigil - Invitation to Join in Devotion

Dear Belvedere Church Family,

It has now been over 50 days since True Mother was placed in detention. During this time, Rev. Dunkley has been offering powerful guidance, encouraging us to take meaningful action. Each small act of faith and devotion we offer can contribute to True Mother's liberation and the victory of the Elder Son Nation.

To support this providential victory, the cooperation of the spiritual world is absolutely essential. The Cheon Shim Won Night Vigil - born from True Mother's earnest desire - is now being directly led by the True Family, who graciously share daily updates about True Mother's condition and heart. During the first hour, there are often spiritual works, reports, and messages that deeply inspire and guide us.

We understand that joining late at night can be difficult. However, if you are able, we warmly invite you to participate in the Zoom Night Vigil. Even partial participation is welcome and deeply appreciated.

The Zoom link is shared daily through our WhatsApp chat group. If you are not yet in the group, you may join using the link below:

Let us unite our hearts and offer sincere devotion together through the Cheon Shim Won Night Vigil, so that from Belvedere, we may contribute to True Mother's liberation and the victory of Heaven's providence in America.

Thank you always for your daily love, prayers, and devotion.

With gratitude and faith,

Kazuhide Kikuchi
