Donation protected

After a very difficult year of battling against stomach cancer, Hideo Kotani passed on September 3rd of this year. Despite numerous medical procedures and extensive efforts by the family, his condition worsened. Through the love and support of our community, he has peacefully ascended to the spirit world at home, surrounded by his loving family. He is a beloved father of 4 children: Yoshia, Hanna, Naomi, and Maika, and husband to Mitsuyo Kotani. Many remember him as a quiet but good-natured man. He stood as the pillar and main breadwinner for his family, but with his passing, his family desperately needs your help. We would appreciate the financial support of our friends and family here to support the medical and funeral expenses for the Kotani Family.
