and all are welcome!

Our dear brother Burt Leavitt passed into the spiritual world on Wednesday, September 25th. His family surrounded him with love until his last breaths. Although Burt felt hampered by health issues throughout his life, his two main passions for serving God and True Parents were through music and teaching the Divine Principle, both for guests and for second-generation children.

Please pray as a community for Burt's Peaceful Transition and keep his wife, Michiyo, their daughter, Mari Grace, and her young daughter in your prayers during this time. We will notify you of any organized prayer vigil.

Burt's Seonghwa Memorial will be held on Friday, October 4, 2024
11:00 AM at 3600 New York Ave NE Washington, DC 20002

Reception to follow

It will be live-streamed on Zoom:

Sunhyun was stable enough to be transferred to a different department of Beth Israel hospital, the Neuro intermediate care unit. We are still waiting for a transfer to a rehab hospital, so please keep him and the medical care staff in your prayers!

Thank you for your ongoing support and prayers!

21-Day Prayer for Sunhyun
We would like to invite you all to join us in a 21 day prayer condition starting this coming Monday, September 23 and going through Sunday, October 13, 2024 (the 40th day after Sunhyun's cardiac arrest on September 4th). It will consist of at least 7 minutes prayer each night on the following prayer points:

1. For Sunhyun's mind and body to be healed and for Sunhyun to experience a complete recovery, mentally and physically, on the fastest

- time frame compatible with God's will.
2. For Sunhyun's higher neurological functions to be restored and for him to be present with us mentally as well as physically. For Sunhyun's true self to return and for the bright light of Sunhyun's heart and personality to shine forth once again.
 3. For Sunhyun's doctors (including his ICU doctors, neurologists, cardiologists and infectious disease specialists), nurses, physical therapists, occupational therapists and other medical staff to provide the best possible care for him to maximize his recovery.
 4. For Sunhyun to be transferred at the appropriate time from the Beth Israel ICU to a top Long Term Acute Care (LTAC) facility with specialization in brain injury rehabilitation.
 5. In particular, we pray that he be transferred to the Spaulding Hospital for Continuing Medical Care in Cambridge, which is a leading hospital nationally for neuro rehab.
 6. We pray that Dr. Alexandra Stillman from Spaulding will be moved to take on Sunhyun's case or direct his family to the best rehabilitation program for him.
 7. For the health and safety of Sunhyun, Yeol-Shim, the Miller and Bell families and all those supporting them. For the protection of those traveling to and from the Boston area.
 8. For Sunhyun, Yeol-Shim and the Miller and Bell families to have unity, strength and stamina for this journey of recovery. That they can create beautiful memories and experience joy with one another even at this challenging time.
 9. For Sunhyun, Yeol-Shim and the Miller and Bell families to feel the love and supportive presence of God, the heavenly spiritual world, their community, caregivers, friends and extended family.

Thank you all! The Miller and Bell families
