On December 10, 2016, CARP Congo organized a one-day seminar on the Divine Principle under the theme “You will know the truth and the truth will set you free” to the participants of the 3-hour conference which was held before at our FFPMU headquarters. And with other guests joined, we had 23 participants.

The Principles of Creation were developed by the President of the CARP, Mr. IPEMBA LEKAKA Schneider. The Secretary General of the CARP Mr. Achille MOUANADA taught on the Fall. The third lecture was given by Mr. Lothar IKOUROU, Education Officer in CARP, who spoke on the Principles of Restoration.

It was a learning experience for our guests. Through these lectures, they could discover the nature of God and the origin of evil and how to return to the new foundations to move towards the construction of an ideal world.

Nine participants promised to participate in the upcoming 7-day seminar which will be held at the end of the month.
