

WFWP Italy speaks at Women Promoting Peace Conference in Rome

Elisabetta Nistri
February 9, 2018

WFWP Italy President Elisabetta Nistri was invited by the President of Roma District of FIDAPA (Italian Federation of Business and Professional Women) Bettina Giordani, to give a speech at the conference entitled: Women promoting Peace, Violence today as yesterday.

It took place on 9 Feb 2018 in the 'House of Memory' in the historical City Hall in Rome.

The purpose was to denounce violence against women but also find possible way to prevent it.

Elisabetta introduced WFWP in its quest to support women and find their own values as well as to cooperate with men to build a base for harmony and a better society.
