December 5, 2020

Elisabetta Nistri, President of WFWP Italy, was invited by the Psychotherapist and Hypnosis Therapist Evaldo Cavallaro, to give an interview about her life for peace.

Mrs. Nistri answered interesting questions and spoke about Rev. Moon's vision for world peace. She also explored the value of marriage according to the ideology of Family Federation for World Peace and Unification and her personal marriage blessing experience (FFWPU).

Dr. Evaldo Cavallaro testified about the intercultural and interreligious embracing spirit found in all the activities promoted by the Unification Movement, such as FFWPU, Universal Peace Federation (UPF) and WFWP. He deeply experienced it himself on several occasions during approximately twenty years of friendship with the Unification Movement.

Mrs. Nistri showed the "Mother of Peace" book testifying about WFWP Co-Founder Dr. Hak Ja Han Moon's work for world peace, especially about the latest World Summit held in Korea just before the COVID pandemic outbreak.

Special attention was given to the WFWP's vision for women's roles and their essential contribution to a balanced society.
