PRAYER FOR ERNEST, KEIKO, CAROLINE NEEDED

As you know, as Pastor Ernest explained at New Hope Sunday, the state of Virginia is "messing" with the Pattons pretty seriously, second-guessing and attacking them for the remedies and natural health therapy regime that the Patton's Doctors Team has prescribed for Caroline. [- who, btw, is steadily getting much better with this plan!)] (Daughter Caroline suddenly contracted Rheumatoid Arthritis, last year but is getting steadily better, thank God!)

(The state insists on a heavy chemo and radiation regime rather than the natural remedies and holistic medicine approach that the Patton's Doctors and the family prefer. It got so crazy Child Protective Services Child actually is trying to bring legal action!

Let's support them spiritually with strong prayer and protect Caroline, and the Patton Family through our unity of prayer.
