Presented by World Mission Headquarters during the Cheon Shim Won Vigil Prayer

Dearest True Mother,

I hope this letter finds you in good health Wang Omma. With deep gratitude and heartfelt reverence, I humbly offer the report of Cebu Church.

Our church has been blessed to be selected as a Young Family Church to contribute substantially for the success of the Entrance Ceremony of the Cheon Il Sanctum in Cheon Won Gung. Over the past three months, our church staff and Blessed family members have been working together as a team. As a result, we were able to double the number of regular members from 22 to 59 as of this week. For the young adults' worship attendance, we were able to increase it from 14 young adults to 26 and we had 62 young adults who offered tithes the previous month.

Dear Wang Omma, in November, as we focused on the restoration of inactive members and the revitalization of the youth, I came to a deeper understanding of Heavenly Parent's deep love and True Mother's infinite grace to us.

Listening to my family members' stories, sharing their struggles and hopes, was a humbling and precious experience that made me experience Heavenly Parent's heart. Every time we pray, talk, and encourage each other, I feel the endless hope and love of our Heavenly Parents. Each smile, each burden lifted, and each prayer offered together is a testament to the love and presence of our Heavenly Parents.

As I walk the path of heaven's will every day, I continuously learn and grow in the true meaning of inheriting True Mother's love. Your unwavering devotion to Heavenly Parent and all of humanity is a great inspiration to us. Whenever I think of your sacrificial life as the Only Begotten Daughter and the Mother of all humanity, and your unrelenting advancement for the sake of the Will, my desire to continue walking this path grows.

True Mother, I am deeply grateful for living here in this golden time and age with you.

You paved the way for us to inherit the heart of filial piety toward Heavenly Parent. I pledge to continue this mission with sincerity, humility, and determination, knowing that in every step I take, Heavenly Parent walks with me.

True Mother, thank you. We love you.
