

Our dear old brother Gilles!

Our heart is with you on your way to the spiritual world, and common memories of the time in German CARP will always remain with us.

Above: Meeting in Camberg 1983 (5th from left)
Below: Meeting in Regelsmühle 1990 (straight under the C in CARP)

When only this morning we heard of your transition, we thought: Why you, Gilles? You were still so young, so dynamic, always in the frontline. Trials and ordeals you took with gratitude. You have shown your incredible heart, loving those, whom you lead, as well as those, who were opposing you in the field. We remember incidents, where you melted the hearts of policemen at the border with your passion and your tears, in order to protect the FR result of your team.

May you continue with this spirit in the other world.

And the roots of your wonderful family were also planted at that time. We pray for Ichiko-san, Philippe, Isabelle, Dominique, Marianne, Guillaume and Honorine

Yours

***Dieter & Ana Schmidt, former G-CARP President
Claus & Paula Dubisz, former G-CARP President***

... and brothers and sisters from the old German CARP:

“Dear Gilles, your kindness, your joyful personality, your sincere dedication to God and your sacrificial service to your fellowmen deeply impressed us, particularly during your time in Germany. You have made a great contribution to the reconciliation and friendship between people from France and Germany. You worked so hard to overcome the Berlin Wall and to end the time of hostilities in Europe. Together with your wife and your children you have also created a unique foundation for unity between Asia and Europe. You have truly lived the life of a world citizen and a true child of God. We pray that our loving Creator may welcome and embrace you in the eternal world. He may also send comfort and support to your family.

With deep respect and gratitude we say “see you again”.

Gregor & Margit Sattler, Bonn, former G-CARP General Affairs

“In my memory, Gilles will remain as a hard-working heavenly soldier with a gentle, humble personality. He has a sincere heart, a deep-rooted spirituality and a good sense of humor. He has been a good brother and a good friend to many of us.

With a selfless mind, Gilles worked quietly and sacrificed quietly. In all those years from 1981 until the fall of Berlin Wall and beyond, Gilles kept frontline missions here in Germany. He made great contributions to the providential victories in this historic time period. He also established his exemplary family and continuously pursued a straight, righteous path. I am sad that he has left us so early, so suddenly. But I am sure he will keep going on his way to Heaven – just as he has lived here – never stop, never give up and never be defeated.

May our loving Heavenly Parent always stay close with Ichiko-san and the whole Piolat family.”

Kurt Wenzel from Hameln, Germany on August 16, 2013

“Full of energy, dynamic, friendly and being always a contribution to move this world towards God’s ideal world. You are a good gardener too! I remember your skillful ability from Regelsmühle.

Have a harmonious transition to the spirit world. There is a lot of work to do as well! God bless you, Ichiko and your family.“

With love from Josef, Mikiko Eder & Family, former G-CARP witnessing leader

„I was just thinking about him, and his wife, and his family. To me he is not dead, he is alive! Very much so.”

Peter Schröder, UK, formerly Berlin

“We miss you, Gilles. All my love to his wife and children.”

Annemarie Nordhagen

“Just this last week I have been trying to connect with the spiritual son of Gilles, Jerry Kabeya in Copenhagen. I too, cannot help but think often of Gilles, and usually I think of his enthusiasm. Such an unusual person. So vibrant. Yet behind the bright smile and willing heart he was a thoughtful and deliberate person. A person who one could always rely on. Many thoughts will emerge in my mind today, but because of time let me finish by saying that my and Patricia's hearts reach out to Ichiko and the children. He loved you all immensely. That will last forever. “

Robin Graham, former G-CARP Regional leader

Also former G-CARP President ***Kwang Kee Sa*** just added his condolence in a short note on Facebook.
