Adagom Refugee Settlement for Southern Cameroon refugees in Nigeria

On the 3rd day of the 8th month of Cheon Il Guk (19th September 2020) at the Adagom Refugee Settlement for Southern Cameroon refugees in Nigeria, 32 refugee couples received Heavenly Parents Blessing with solemn determination to join the cruise of world peace lovers and builders.

After different educational sessions within this settlement by PEACEFUL FAMILIES ORGANIZATION, the spirit world intervened and raised up our opportunities. After a powerful 3-days activities, with a conference on day 1, with the theme: THE ROLE OF COUPLES IN BUILDING WORLD PEACE, day 2 followed with a session of an overview of the Divine Principles with details on the PREDICAMENTS OF THE FIRST HUMAN COUPLE OF ADAM/EVE, AND OUR HUMAN

ESPECTATIONS, a lot was consumed to brighten blind hearts and soften hard hearts. Peaceful Families team worked day and night, exposing video lectures of the divine Principles and many videos of True Parents activities. We showed the Blessing Event in different National Assemblies like in Niger, the signing of a memorandum of understanding between the African Union and the Heavenly parents for a Blessed Africa, In fact, we gave the people all about the blessing movement and its activities now. We exhausted ourselves, even when people went asleep, we continued for the spirits till day 4:00 am when our generator stopped as petrol finished. We were equipped for the task. We rented a projector, sound system and cables.

Some of our team members had dreams seeing myriads of ancestral spirits rushing in irresistibly for lectures. Some cried of their past lives as they uncover their wrongs. Others could fight to have space for the education and videos. The whole place was so busy with spirits.

In the day, after a heavy rainfall, as had been all the three days, we finally had 32 couples come for the blessing. With support and provision of blessing materials from the FFWPU (HTM leader) for Nigeria, we finally had a blessing of 32 couples.
