

Blessing Ceremonies Held Every Weekend in Albania

Gani Rroshi - May 2019

With the commitment to offer at least 12 Heavenly Tribal Messiahs before 2020 to Heavenly Parent, every center in Albania is working hard to witness to couples, invite them to the Blessing, and take care of them. Members are very inspired to have numerous blessed families throughout Albania, so that Heavenly Parent can reside in every household and be welcome in every family.

In May alone, there have been 12 Blessing ceremonies in Albania, which we are promoting as a public event under the title of Family Festival and Marriage Blessing. So far this year in Albania, there have been 42 Blessing events, with more than 3,000 couples blessed.

We have five new Heavenly Tribal Messiahs who have accomplished their tribe of 430 couples, giving Albania a total of nine HTM Victors, and many other families and members are working hard, witnessing to couples and families so that they can complete their tribe. Below you can find links to a number of Blessing ceremonies held this month.
