Dear Wang Eomma, True Mother!

It's such an honor to have the chance to write you directly in this time. I hope I can bring smile and power while you lead us in this golden age of the providence.

As November draws to a close, we are nearing the end of Shin Chul Moon's missionary work in Albania. Thank you for believing in the Tirana Church of in Heavenly Albania, and for sending Shin Chul Moon and Jiu Woo Moon, as well as the Heavenly Top Gun missionaries.

True Mother, I am a 1st generation youth leader who joined the church 12 years ago when I was a high school student. Since then, I have been living a life of faith with a desire to learn from the difficulties that True Parents and the True Children have faced and to return the love that True Parents have given me. As the Tirana church leader, the past 10 months of leading the witnessing activities of the missionaries has been a blessed time that Heavenly Parents have granted me.

Since the day we started working together, we've done hundreds of witnessing approaches and given 104 lectures to be exact. As a result, 70 people have visited our center, 20 of whom are participating in all our church activities. We still have a long way to go, but I can see that the missionaries growing through service and dedication.

The Heavenly Top Gun missionaries put a lot of effort to love the Albanian people, despite the differences in culture and difficulties with speaking in English. In the 'Cheon Myung' worship service, the praise team of Heavenly Top Gun missionaries, members of the Tirana church are experiencing the heart of Heavenly Parent and the love of True Mother. Missionary Shin Chul lived with his first spiritual child in the CARP center, became his big brother, and created a loving environment for the new members and Blessed families of Tirana Church. Both Ji Woo and Shin Chul walked the path of a missionary from the first day they came until today. I can't help but admire the Heavenly Top Gun missionaries witnessing everyday with the sincere devotion for True Mother.

Beloved Wang Eomma, True Mother, Missionaries Shin Chul Moon and Ji Woo Moon, who are full of filial piety toward heaven, and Heavenly Top Gun Missionaries who are striving to surpass themselves for a better tomorrow, are here with us. We will surely be victorious in witnessing and bring your children home. True Mother, please don't worry. We sincerely pray for your happiness. We are here for you.

True Mother, we love you.
