Kampong Speu Province, Cambodia: On 17 December 2022, FFWPU-Cambodia led by Mrs. Masumi Schmittat and team visited 4 communes; 1. Rolangkroel Commune, 2. Kahaeng Commune, 3. Vorsor Commune and 4. Trapaingkorng Commune which we had done for Blessing Ceremony with around 2,000 couples joined the blessing, located in Samrongtong District, Kampong Speu province for visitation and discussion for the family program and invite young people and students to attend the upcoming 7-day Divine Principle Workshop in January 2023 and discuss to cooperate with high school principals through the commune leaders.

All the commune leaders are so happy to welcome us and willing to make cooperation in order to education their youth at commune hall and school. They really want their youth to become model youth and the future leaders through our education. They can build the strong communities centering on the blessed families. The blessing ceremony is very important and they really miss the time be together in the blessing ceremony.

Through this visitation we really felt that leader really want to work and cooperation with us more and more as they know that the youth is the future of their community and country, so youth not just need education for skills but most important is education in their heart (character).

Thank you so much Heavenly Parent and True Parents for allowing us to meet four Commune Chiefs with fruitful discussion and future activities for youth and family education. We will do our best to convey True Mother's love and blessing to them.

Thank you very much True Mother. We love you.
