FFWPU Cambodia in partnership with IAYSP Cambodia successfully conducted the Outside Sunday Service and Cleaning Project with the purpose of "Understanding the creation at Sihanoukville and family bonding" The program, which was held from September 30 to October 1, 2023, from Sihanoukville, Cambodia, brought together FFWPU Cambodia blessed family, 2nd generations and IAYSP Cambodia members.

It was a wonderful afternoon when we arrived at Sihanoukville and we proceeded quickly for our cleaning project beside the ocean all the FFWPU Cambodia blessed family, 2nd generations, and IAYSP Cambodia members happily and full of excitement to do the cleaning project together. It was the first time again to have bonded together outside the capital city and went to the province. After we finished the cleaning project all enjoyed ourselves and happily went to the ocean, swam, and enjoyed ourselves together, everyone really missed to go ocean, swimming, and feeling the beautiful creation.

On the 2nd day, which is October 2, we did an outside Sunday service near the ocean centering to our national leader Rev. Chamroeun Sophal and he emphasized how much our beloved True Parents really love the ocean, love fishing, and important to appreciate the creation. After the Sunday message, all blessed family and members share their determination and heart about how much they are grateful to have this outside Sunday service together and if we unite centering on our beloved True Parents nothing is impossible, and we can do everything.

Everyone was happy and we had our lunch together as one big family. After lunch, we enjoyed swimming again and continued sharing with one another. All of us are really grateful, happy, and determined again to make our beloved Heavenly Parents and True Parents happy and proud by witnessing and doing our best in different responsibilities in our lives.
