He said that our 40th Anniversary on August 28, 2019, Mrs. Hak Ja Han Moon came to give her message even though she was extremely busy. She emphasized that Dr. and Mrs. Moon initiated Tong-II Moo-Do with a very ardent, desperate, and serious heart to save young people, one more life, one more nation to receive the blessing as heavenly sons and daughters of Heavenly Parents and True Parents. Our most important

task as Tong-II Moo-Do leaders is to inherit such an ardent, desperate, and serious heart of True Parents.

Dr. Seuk said that we all must understand the meaning of Tong-II Moo-Do (TIMD). The meaning of TIMD should be appropriately taught so the students can understand it correctly. TIMD is not unified martial arts or Korean mix martial arts. It is Tong-II Moo-Do.

The center of Tong-II Moo-Do (TIMD) is the Unification Thought. This is the supreme philosophy of TIMD whose core values are the following: Firstly: Ae Cheon, Ae In, Ae Guk (Loving God, Loving Humanity, Loving the Nation). Secondly: Gong Seng, Gong Yung, Gong Eui (Co-Living, Co-Prosperity, Co-Righteousness). Thirdly: Absolute sexual ethics and True Family Values. . Fourthly, the Samdae Juchae Sasang (three subject ideas) which means True Parents, True Teacher, True Owner.

Technically, Tong-II Moo-Do (TIMD) has the supreme techniques integrating all the best essence from different martial arts. Firstly, integrating circular motion and linear motion. Secondly, improving all the existing martial arts techniques. Thirdly, most importantly inventing and creating new techniques. Tong-II Moo-Do (TIMD) developed new techniques such as the Wongu (Wonhwa) Tong-II motion, Pyunghwa Eui Bon motion, Chamsarang Eui Bon motion, Wang Kwon Eui Bon motion (II). These are the new techniques or motion which only Tong-II Moo-Do has. No other martial arts have these techniques.

The year of 2024 is the year of Dragon according to the Chinese calendar. The year of Dragon symbolizes hope and courage challenging new things to bring great success. Let us make the year 2024 be the year of "March forward bravely with discipline and challenge any difficulties and hardships to achieve the greatest victory," and Dr. Seuk concluded by giving grace and blessing by saying be healthy family, healthy community, healthy district, healthy province and healthy nation and become the Heavenly Cambodia.

Thank you very much.
