### In Loving Memory of Diane Tangreti

Dear Brothers and Sisters,

Our dear sister, Diane Tangreti, transitioned peacefully on Monday, November 25th at 8:55 pm due to breast cancer which metastasized too rapidly to all her major organs. She leaves behind a loving, devoted son and daughter, Anthony and Cristina.

Thank you for your prayers throughout her illness as she felt no pain in the days before her transition.

Our beloved mother, grandmother, sister, friend, and daughter, Diane (Person) Tangreti, peacefully passed away on Monday, November 25th at 8:55 pm. Diane lived her 71 years with a heart full of love, adventure and dedication to helping others in any way she could. Her joyfulness, generosity, sincerity, and loyalty made her an unforgettable human being and friend. She will be missed dearly. In addition to being a fun-filled friend and sister to many, she has changed and saved lives as a mother, a foster parent and furthermore, adopting children with special needs. She was remarkable. Diane's wish for the end of her life is for her loved ones to come together to celebrate with Motown music and dancing the incredible life she has lived.

We need your help. We're reaching out to her community of friends and family and beyond for assistance in covering the cost of her cremation, celebration of life service, and travel expenses for her children. Please join us in contributing the funds to give Diane the send-off that she so greatly deserves.

Thank you, Anthony and Cristina.
