Dear Supporters,

Urgent Call for Baby Incubators for Infants in Gaza

In November 2024, WFWP Europe launched its first appeal for baby incubators to support infants in Gaza. Our goal is to raise €8,500, and thanks to the generous contributions from our members in Italy, Ireland, and the UK, we have already raised over €4,000.

However, we still need your help to reach our target. The situation for newborns in Gaza remains critical, and every moment counts. We are actively seeking to connect with the appropriate hospitals and

institutions to ensure that these funds are directed where they are most needed. Until the conflict subsides, we are prepared to collect the funds and ring fence the money until we have a pathway into Gaza.

I want to extend my heartfelt gratitude to everyone who has already donated. Your generosity is going to make a difference! But we must keep the momentum going. This is a serious and urgent cause that requires our collective effort.

If you wish to donate, please see the bank transfer details below.

If you would like to conduct a fundraising gathering, please be in touch with your national WFWP representative. Together, we can provide the lifesaving support that these vulnerable infants desperately need.

Thank you for your continued support.

Warm regards,
Mitty Tohma

WFWP Europe

First Appeal.

Dear friends and colleagues,

We hope this message finds you well. We are reaching out to share an urgent initiative from WFWP Europe that requires your support. As the situation in Gaza remains critical, we are launching a fundraising campaign to raise 8.500 EUR for a baby incubator that will provide essential medical support to newborns in desperate need.

Phase One: A Life-Saving Investment

So far, we have raised 2.400 EUR, and our goal is to raise an additional 6.100 EUR to purchase one incubator. We will set aside these funds and wait until the conflict in Gaza has subsided, ensuring that our efforts can be fully utilized when the time is right. This incubator will be a beacon of hope, offering warmth and protection to fragile babies who deserve a fighting chance at life.

Looking Ahead: A Long-Term Commitment

This is just the beginning. We envision a continued program to raise funds for additional medical equipment and resources to support even more babies in need. Your generosity can help us expand our efforts and make a lasting impact on the lives of countless infants and

their families.
